SH 1-006-26

Mc Donnell Douglas / Boeing CF-18 Hornet

2000

Canadian Air Force, 410th Squadron

The F/A-18 Hornet is one of the most versatile modern combat aircraft. It was probably the first combat aircraft to be developed for both Fighter and Attacker role right from the beginning. It has served for more than thirty years with a number of air forces all over the world.

This version was a special repaint commemorating the turn of the Millennium.
