Mc Donnell Douglas / Boeing F/A-18D Hornet

Blue Angel #7

The F/A-18 Hornet is one of the most versatile modern combat aircraft. It was probably the first combat aircraft to be developed for both Fighter and Attacker role right from the beginning. It has served for more than thirty years with a number of air forces all over the world.

This version is flown by the U.S.Navy Demonstration Team, known as the "Blue Angels".
