

In Buddhist teaching and daily practice,

**STUPAS** are more than just mere buildings,

they are considered a representation of the Buddha,  
the most revered, honored and venerable teacher.

**Therefore they are to be treated the same as the Buddha himself.**

To respect the Buddha and his teaching, please do not keep your stupa model in any inappropriate place such as bathroom or bedroom or any place where someone might pass by nude or commit immoral acts.

Also not in any other place which could be considered disrespectful.

Please treat your stupa with reverence and respect.

*May all beings be happy! May all beings be peaceful! May all beings be liberated!*
